

# TRANSITION AND BEYOND

Edited by Saul Estrin, Grzegorz W. Kolodko, and Milica Uvalic

## Description

More than fifteen years after the fall of the Berlin Wall, many issues regarding the transition from a centrally planned economy to a market economy are still being debated. This book presents an evaluation of the transition in Central Eastern Europe, and focuses on the socialist legacy, the transition from planned to market economy, and the future of the post-transition phase.
